

Hundreds For Haiti

The devastation that the people of Haiti have endured as a result of the recent earthquake is tremendous. Charter Day School will be setting class goals to raise *Hundreds for the victims of Haiti*.

This week, the students will discuss one of the worst natural disasters that has occurred in the past century with their teachers. They will come up with a classroom goal to help the victims of Haiti. Whether its hundreds of pennies, nickels, dimes, or quarters, we will collect the money and donate it to the American Red Cross for the Haiti Relief and Developments Funds.

First Annual Charter Day School Golf Tournament

Thursday,
March 18, 2010
12:00 Tee Time

We will be hosting a golf tournament at the newly opened Cape Fear National Golf Course to raise money to support our media technology program. If you are interested in either playing golf or donating an item or service for the silent auction at the banquet following the tournament, please contact **Tom Miller (910) 655-5455 x209**.

Charter Day Book Fair

The 2nd annual book fair for Charter Day School will be our fourth quarter fundraiser. It will be held in April, and we will need volunteers to help work the week long event. Last year we raised over \$5,000 for our school library, and we plan on having another successful event. Please look for more information to come.

Morning Drop off

Since we have returned from our last break, the morning traffic has slowed down. Please remember that school starts at 8am, and we need to have the students in the classroom ready to start their day on time. Here are a few suggestions to speed up the morning traffic flow:

-Have your child ready to get out of the vehicle before you drop them off.

-Pull up as far as you are able to in front of your child's quad.

-Walk your child to the cross walk to reduce the amount of vehicles going through learning lane.

Early Releases

We have had an increase in early dismissals, and they have started to effect the learning environment for our students. We cannot prohibit parents from taking their children out early; however, we ask that you not sign your child out early unless you have a doctor's appointment and bring in a note to your child's teacher. Unplanned early dismissals interrupt important academic learning time and take the staff away from teaching the students. Thank you for your cooperation on this issue.
